*****New Rule.....A new high school basketball rule has been added for clarification. Players occupying the marked free-throw lane line spaces cannot enter the free throw semicircle until the ball touches the rim or the free throw ends....In other words a player cannot box out the shooter until the ball hits the rim or the free throw end. 4:00pm is start time for first game unless coaches agree to an earlier start time. If a team is late warm-up time may be limited.
